# Context and Purpose

- Initiated by EC via NGI Zero

- Liaison with ActivityPub community

- Policy makers, representatives, developers

- Introduce ActivityPub and the Fediverse

- Hands-on workshop to start with ActivityPub

**NGI** **ZERO** **(https://nlnet.nl/NGI0)**

- NGI0 consortium of 12 expert internet organizations across Europe

- H2020 cascading funding for open source & open hardware projects to:

  - Promote open search and discoverability (https://nlnet.nl/discovery) > nlnet.nl/discovery (http://nlnet.nl/discovery)
  - Develop privacy and trust enhancing technologies (https://nlnet.nl/PET) > nlnet.nl/PET (http://nlnet.nl/PET)

- Unique project support (licensing, security, accessibility, internationalisation)

- ***More than 260*** (https://nlnet.nl/NGI0) projects are currently funded and supported.
